PRAISE GOD! We have seen a 24% increase in less than 3 weeks. We needed 48 partners at \$30 a month on Sunday morning. In the past 5 days all of these have been filled and more. The two new orange stickers took us past 85% and on our way to 100%. Just in the past five days that is \$1585 in new monthly support. God has worked in a way that we could have never imagined; we are leaving the sticky notes up as a reminder. Our goal has been met and we look forward to our final training next month. We now set our sights on 100%, 42 sticky notes away. :)
